

Dear Sirs/MadamI am writing to address the NAB's petition 04-160. I strongly urge you to reject this petition and not censor satellite radio's broadcast. I enjoy my satellite radio programing and do not think the National Association of Broadcasters to dictate or mandate what I can and cannot pay for with my satellite radio. I listen to a wide variety of programing and find the news, traffic, and weather incredibly valuable. Again, please reject the NAB's petition 04-160.
